

HEILEO Im Lola

What my parants say about me:

Lola is a 60-pound of kindness and cutness, 6 year-old Mix border collie and israeli breed female who gets along well with other dogs and people and even CATS!. Lola is quiet, loves to spend time doing nothing and sleep, she is well-trained and almost never barks, she is a big part of our family.

Education/Training:

Im fully house trained. Momy and daddy brought this nice women to teach me how to understand hand signals and verbal commands. I come when you call me, and not to brag but I walk very well on a leash.

Health Grooming and manners

My parants always groom me and comb my fur to keep it from shedding around the house, and I really like it.

I am a healthy dog and well trained, I never poo or pee in the house!

I don't go on the sofa, and I have this thing where I like to have my own spot and spend most of my time there, except when my parents take me for a walk or to the park, and then I like to run and spend time in the sun.

About my Family

My parents are very responsible parents, they take me to get all my vaccines on time, and they always make sure that im clean and happy.

They keep my environment nice and clean for me and my little borthor Ari.

Mommy and daddy brought him 2 years ago and he is really cute, i keep quiet especially at night so I wont wake him.
